# Asterix the gaul in french pdf full text online

Customer reviews No customer reviewsThere are 0 customer reviews and 1 customer rating. Well, *have* you read all the Asterix books? It's a fair question. We've read these, but these aren't all. There are, in fact, at least 8 not identified here. Quick quiz Asterix fans - can you name them without resorting to internet memory? [image error]I had the tremendous good fortune to find all but a few of the published volumes in one of our local libraries, and to be able to borrow the remainder of those I could not find from a friend who collects them. If you've yet to be introduced to th Well, *have* you read all the Asterix books? It's a fair question. We've read these, but these aren't all. There are, in fact, at least 8 not identified here. Quick quiz Asterix fans - can you name them without resorting to internet memory? [image error]I had the tremendous good fortune to find all but a few of the published volumes in one of our local libraries, and to be able to borrow the remainder of those I could not find from a friend who collects them. If you've yet to be introduced to these intrepid Gaulish warriors, you really owe it to yourself to run out and find one of these books.For starters, if you have kids who can read, having one of these to hand will make you their temporary hero. But the artwork on display is tremendous (see, e.g., [image error] - this is a page from "Asterix & the Laurel Wreath" and -- in the second row -- pulls off the amazing task of stopping and running your mental camera backward. Behold, the semiotic power of comics!); the humor unabating; and the social, political, and historical satire merciless and timeless.It's a pity author Goscinny died so young. His creative partner Uderzo, while a wonderful artist, was not that much of a plotter or writer. The books he completed in the 30 years following his partner's tragic demise in the mid-70s aren't nearly as powerful as their predecessors. Since 2001, Pathe has taken to making live-action extravaganzas out of these (at least three to date), and starring no less a thespian than Gerard Depardieu, but as of this writing they are yet to be released in the states, nor does Netflix carry them. Somebody with pull fix this!Seriously, I can't rave about these books enough, whether written in Latin, their original French, or here in these hysterical English translations. Here's my nutshell summary of the complete Asterix and Obelix bibliography.Asterix the Gaul – introducing A&O in their milieu, facing Caesar for the first timeAsterix the Golden Sickle – A&O go to Lutetia (Paris) to buy Druid Getafix a new sickle (takes on protection rackets)Asterix the Goths – endless early Germanic intratribal warfare explained when the Goths take Getafix hostage across the RhineAsterix the Gladiator – A&O go to Rome to free captured bard Cacofonix; a terrific spoof of Spartacus, among other thingsAsterix the Banquet – A&O do the first Tour de France to win a culinary/military bet against the RomansAsterix Cleopatra – A&O in Alexandria when an Egyptian architect enlists Getafix's help proving to the Romans that Egyptian culture is still all thatAsterix the Big Fight – the Romans have a Gaulish chieftain-collaborator challenge Chief Vitalstatistix to a winner-takes-all bare-knuckle brawl… and Getafix is out of magic potion! Terrific send up of proxy warfare (to say nothing of professional wrestling)Asterix in Britain – A&O find nothing better to do than help their cousin Celts beat back the Roman suppressing forcesAsterix the Normans – teenaged Justforkix helps teach the Norse the true meaning of fear. Extremely clever investigation into the psychology of thrill-seekingAsterix the Legionary – A&O enlist to rescue Panacea's impressed beau. Shades of Billy Budd?Asterix the Chieftain's Shield – Turns out Chief Vitalstatistix has been riding around on Vercingetorix' forfeited shield; what alternate proof can Caesar use in a Gaulish triumph?Asterix at the Olympic Games – was use of the magic potion at the original games the first instance of doping?Asterix the Cauldron – A&O learns the economics of labor as they are forced to earn back a cauldron of sesterces stolen on their watch; bright spoof of Milton Friedman's and John Maynard Keynes' theories (see also "Obelix & Co.," below)Asterix in Spain – A&O travel to raise a Roman siege against a small Spanish village on behalf of an Iberian chieftain's sonAsterix the Roman Agent – the denizens of our favorite village have to contend with an insidious new Roman tactician: a rumor-mongering, scandalous slanderer! A marvelous study of envy and petty jealousyAsterix in Switzerland – A&O are off to Helvetia to pluck some much-needed EdelweissThe Mansions of the Gods – As the Roman's sponsor a neighboring suburban development, can our favorite villagers resist the corrupting temptations of modernity? Terrific satire of assimilation and upward-mobilityAsterix the Laurel Wreath – A&O become Roman house slaves in an attempt to steal Caesar's laurel's for soup flavoring (to help Vitalstatistix save face from a stupid wager); a clever look at the household economy of your average well-to-do Roman citizenAsterix the Soothsayer – Asterix sets out to expose a peripatetic fraud playing on the credulity of his friendsAsterix in Corsica – A&O provide an escaped Roman hostage safe passage back home. A spoof of either Corsican tribalism or the mafia… probably both.Asterix Caesar's Gift – big spoof of the political "silly season" as several candidates campaign to be the village's next chief, sparked originally by Caesar's mischievious deed of the village land to a no-account legionary (see also "Great Divide," below)Asterix the Great Crossing – a freak storm blows A&O (on an impromptu fishing trip) and a longboat full of Norse explorers across the Atlantic OceanObelix Co. – an excellent companion to "Cauldron," flipping the premise to the side of capital; as a recent Roman business school grad prompts Obelix to mass-produce menhirs for Roman consumptionAsterix in Belgium – A&O set off to Belgica to determine whom the local legionaries less like to fight, Gaulish or Belgian warriorsAsterix the Great Divide – an excellent companion to "Caesar's Gift," this one analogizes two-party governance to a Romeo & Juliet-style feud, as Druid Getafix calls upon a village that's literally split right down the middle by competing co-chieftainsAsterix the Black Gold – A&O nearly die of exposure in the Arabian desert trying to obtain some "rock oil" for Getafix; prompting modern readers to ask, what good is this petra oleum, anyway?Asterix Son – the best and least muddled of artist Uderzo's solo attempts, Cleopatra secretly hides newborn baby Caesarion from Caesar's adopted son Brutus among our Gaulish friendsAsterix the Magic Carpet – a mediocre Uderzo plot that serves as an excuse for exquisite artwork (the ancient world from above); Cacofonix is flown by magic carpet from Gaul to a parched land of the Ganges in the hopes his horrible singing will summon a delinquent monsoonAsterix the Secret Weapon – haven't gotten my hands on this one yet!Asterix Obelix All at Sea – haven't gotten my hands on this one yet, part 2Asterix the Actress – haven't gotten my hands on this one yet, part 3Asterix the Falling Sky – a disaster of an Uderzo story; the Gaulish village is visited by competing alien races respectively intended to represent Disney and manga cartoon styles (evenly-matched, you see)Asterix the Class Act – republication of separately published short stories in a single volume, including a spoof of the fashion trade, a tour de force Mad-style parody of various art/illustration styles, and a hysterically slapstick Christmas joke for which mistletoe plays the catalyst (and told without dialogue!)Asterix vs. Caesar – "novelization" of the '60s cartoon, itself derived from a combination of the plots of "Legionary," "Gladiator," and "Laurel Wreath." Nothing to see here, move along.The Twelve Tasks of Asterix – "novelization" of the '60s cartoon, based on an original (and funny) plot which spoofs game shows; the Roman Senate challenges A&O to perform 12 Herculean tasks to determine if these Gauls be Gods. Best of the bits is the one that pits Asterix's wits against bureaucratic futility, but there are other good ones as well.Asterix Conquers America – "novelization" of the '60s cartoon, itself derived from "Great Crossing." Nothing to see here, move along.Operation Getafix – haven't gotten my hands on this one yet, part 4, but I understand it to be another "novelization" that combines the plots of "Golden Sickle" and "Goths." If so, can probably be bypassed without harm.How Obelix Fell into the Magic Potion When he was a Little Boy - – haven't gotten my hands on this one yet, part 5 ...more Myth, Obelix's pal Although he does not have the impressive muscle-bound physique of the heroes Albert Uderzo drew at first, Asterix is the only anti-hero to boast such a collection of success stories and heroic feats. Throughout his adventures, where his legendary wile and the precious magic potion concocted by the druid Getafix allow him to escape from the direst situations, often covered with glory, Asterix has made off with Caesar's laurel crown, won a gold metal at the Olympic Games (without the benefit of the magic potion, if you please!) and completed with honours the 12 tasks as decreed by Caesar one day when he was foolish enough to risk a bet with our incorrigible Gauls. Thanks to our hero, the Britons discovered tea and the Belgians were inspired to make French fries! As for the Asterix comic book series, it has been the sensation of the publishing world for 60 years while the character Asterix has become a mythical figure, a symbol throughout the world for all who resist the influence of Empires trying to impose their will and law on others. René Goscinny explained that his hero's name, with its initial «A», was a clear advantage with regard to alphabetic classification in any future comic book encyclopaedia, but did he ever imagine that his tiny Gaul would also change comic book history? And what more can be said about the success of Asterix in the film industry? Despite all his success, Asterix has remained down to earth and all he needs to keep him (and his readers) happy is the chance to ridicule the Romans and savour a delicious banquet with his friends. In which book ? 1 - Asterix the Gaul 2 - Asterix and the Golden Sickle 3 - Asterix and the Goths 4 - Asterix the Gladiator 5 - Asterix and the Banquet 6 - Asterix and Cleopatra 7 - Asterix and the Big Fight 8 - Asterix in Britain 9 - Asterix and the Normans 10 - Asterix the Legionary 11 - Asterix and the Chieftain's Shield 12 - Asterix at the Olympic Games 13 - Asterix and the Cauldron 14 - Asterix in Spain 15 - Asterix and the Roman Agent 16 - Asterix in Switzerland 17 - The Mansions of the Gods 18 - Asterix and the Laurel Wreath 19 - Asterix and the Soothsayer 20 - Asterix in Corsica 21 - Asterix and Caesar's Gift 22 - Asterix and the Great Crossing 23 - Obelix and Co 24 - Asterix in Belgium 25 - Asterix and the Great Divide 26 - Asterix and the Black Gold 27 - Asterix and Son 28 - Asterix and the Magic Carpet 29 - Asterix and the Secret Weapon 30 - Asterix and Obelix all at Sea 31 - Asterix and the Actress 32 - Asterix and the class act 33 - Asterix and the falling Sky 34 - Asterix and Obelix's Birthday - The Golden Book 35 - Asterix and the Picts 36 - Asterix and the Missing scroll
